Call For Papers

April 18th-21st, 2027

The **14th IEEE Conference on Technologies for Sustainability** (SusTech 2027) is designed to explore technical development that meets the needs of the present without compromising the future generations. The conference brings together scientists, engineers, technologists, and scholars from disparate disciplines to conduct a dialogue on environmental issues and collaborate on ideas to develop and utilize innovative tools and intelligent systems to address them. Attendees will explore emerging relevant technologies, latest tools, and proactive solutions to take their sustainability programs to the next level.

- **SusTech 2027** is a hybrid event and will feature technical papers & presentations, posters, and workshops.
- Prominent experts will be giving keynotes, plenary presentations, and invited talks.
- Full papers will be considered for publication in the IEEE SusTech 2027 Proceedings.

Conference content that meets IEEE quality review standards and format will be submitted for inclusion into IEEE Xplore as well as other Abstracting & Indexing (A&I) databases.

Papers are solicited for presentations from industry, government, and academia (including students) covering relevant research, technologies, methodologies, tools, case studies and public policy.

Conference Fields of Interest (see web site Call for Papers for full list of topics)

Inspiring Technology Solutions for Climate Sustainability

Agriculture and Food Technology
Climate-aware ICT Infrastructure
Next generation power grids
Sustainable Electronics
Sustainable Communities
Intelligent Transportation Systems
Social Innovation
Biosphere Preservation
Green Computing
Water Resources Management
Waste Management and Reduction
Circular Economy
Building Energy Performance
Software Advances for Sustainability
Management for sustainability
Societal Implications of sustainable technologies.

Instructions to Authors: Submit in **PDF** form, a full submission of the paper for oral presentation via the SusTech website. For information for authors**,** please visit the conference website at **https://ieee-sustech.org** and select the **Details for Authors** menu item (**https://ieee-sustech.org/authors/**) and follow the instructions.

There will be a separate Student Poster Competition.

Important Dates	November 15st, 2026	Submission Deadline for Paper
	December 15th, 2026	Notification of Acceptance
	January 31st, 2027	**FINAL manuscript submission deadline**

For more information or questions, please contact: sustech@ieee.org

IEEE SusTech 2027 Leadership

General Chair: Ed Perkins
Technical Program Chair: Adil Usman
Technical Program co-Chair: Dan Donahoe

Sponsors for SusTech 2027 include the IEEE Oregon, San Fernando Valley, Foothill, and Orange County Sections; IEEE Region 6; IEEE-USA; IEEE SSIT; and co-sponsored by the IEEE Standards Association, and the IEEE IAS, PES, and TEMS Societies.
