ISTAS 2022: IEEE International Symposium on Technology and Society 2022

VIRTUAL CONFERENCE
Hong Kong, November 10-12, 2022 Conference Theme: "Digital and Societal Transformations"
Conference website: https://www.istas22.org
11 Theme Tracks: https://www.istas22.org/program/
Conference Registration: https://www.istas22.org/registration/

2022 is the 50th Foundation Day of IEEE’s Commitment to Social Implications of Technology. Please join us at ISTAS2022 conference to celebrate this occasion.

The IEEE International Symposium on Technology and Society (ISTAS) is the flagship conference of the IEEE’s Society on Social Implications of Technology (SSIT). ISTAS is a multi/inter/trans-disciplinary forum for engineers, policy makers, entrepreneurs, philosophers, researchers, social scientists, technologists, and polymaths to collaborate, exchange experiences, and discuss the social implications of technology. ISTAS 2022 Participants Include: Policy Makers, Business Industry (particularly in the Asia Pacific Region), NGOs, Researchers, Scientists, Academicians, Technocrats, Students.
