*Conference includes in-person and virtual participation (subject to change);*

**10-12 November 2022**

**The conference will be held in a Hotel at Nathan Road, Kowloon, Hong Kong SAR**

# IEEE International Symposium on Technology and Society 2022

**Conference Theme: Digital and Societal Transformations**

<https://www.istas22.org/>

## First Call for Papers

**CALL FOR PAPERS :** <https://easychair.org/cfp/ISTAS2022>

**Submission Link :** <https://easychair.org/conferences/?conf=istas2022>

**Abstract registration deadline :** January 31, 2022

**Submission deadline :** March 31, 2022

### Topics Include:

**5G and lite touch on 6G technologies** (ie. IoTs etc), Biosciences, **Integrated Digital Healthcare, Sustainable Development** (including ICT4D) and **Humanitarian Technology, Ethics/Human Values**, Universal Access, Universal Acceptance, **Societal Impacts (including traditionally disadvantaged communities)**, Protecting the Planet, Internet and Geopolitics, Indigenous People's Data, Technologies for the End-Users, Integrated Services.

### Submission Guidelines

All papers must be original and not simultaneously submitted to another journal or conference.

### We invite the following types of submissions:

- Full papers for peer-review and publication in IEEE Xplore (2500-3500 words)
- Abstracts for paper or poster presentations *not* to be published in IEEE Xplore (250-350 words)
- Proposals for workshops, panels, roundtable discussions, or other innovative sessions related to the conference theme (please explain relevance to theme; 250-500 words)

Authors preparing full papers should consult IEEE conference templates for guidelines on composing and formatting conference papers. Please ensure that all template text is removed prior to submission.

**IEEE conference templates:** <https://www.ieee.org/conferences/publishing/templates.html>

**ISTAS 2022 proceedings will be published by IEEE Xplore**

"Select papers may be considered as part of future special issues in IEEE Technology and Society Magazine or IEEE Transactions on Technology and Society or Journal of Social Computing (JSC), Tsinghua University Press, China, subject to the approval of the respective Editors-in-Chief / Guest Editors."

ISTAS is a multi/inter/trans-disciplinary forum to collaborate, exchange experiences, and discuss the social implications of technology by

- ◆ Government
- ◆ Policy makers
- ◆ Academia
- ◆ Industry
- ◆ Engineers
- ◆ Entrepreneurs
- ◆ Philosophers
- ◆ Researchers
- ◆ Social Scientists
- ◆ Technocrats
- ◆ Students

### ISTAS Decadal Summary

Year	Location	Theme
2022	Hong Kong (Hybrid)	Digital and Societal Transformations
2021	Virtual (Waterloo)	Technology Stewardship and Responsible Innovation
2020	Virtual (Phoenix)	Public Interest Technology
2019	Boston	Technology, Sustainable Development and Ethics
2018	Washington DC	Technology, Ethics and Policy
2017	Sydney	From Good Ideas to Practical Solutions
2016	Trivandrum	Ethics and Pervasive Computing Technologies
2015	Dublin	Culture, Ethics and the Knowledge Society
2014	Chicago	Ethics – a challenge to the scientific and engineering community
2013	Toronto	Smart World – living in a smart world-people as sensors
2012	Singapore	Technology and Society in Asia
